Not to my knowledge, but I am not feeling well and I am most likely not going to the office tomorrow. I will hopefully be better on Thursday and I will check then.

Hi Bill,

Thank you. We will look at it when we receive it.

Hi there, hope you are both doing well. Keep your eyes peeled for the next two days. I mailed a dvd of the WEC power plant and coal dust blowing from it. The video is extreme. When I saw it I was shocked.

Thank you

Bill Pringle
